*we have the
snacks
you are looking for*

who we are

Discover the essence of taste with Frylo, a renowned brand synonymous with excellence in ready-to-eat and ready-to-fry delicacies. Established in 1979, we, at Frylo, have been committed to creating an unparalleled culinary experience through our flagship products - Frymus and Panipuri Pellets.

Established in 1979, Frylo has emerged as a premier wholesale manufacturer, exporter, and supplier of Fry snack pellets. Our presence extends to countries such as the US, UK, UAE, Australia etc, where we have made a significant impact.

In our commitment to maintaining the highest standards in the market for snack pellets, Frylo has introduced three additional esteemed brands. This strategic move not only solidifies our position as a leader in the wholesale sector but also enhances our influence in the retail business segments. At Frylo, we take pride in delivering products that embody excellence and innovation, setting new benchmarks in the culinary industry.

Vision

To be the most admired and loved snack food company by providing the best quality products in terms of taste and health, globally.

Mission

Quality : To produce hygienic and trusted food products by using the finest ingredients and raw material from around the world.

Innovation : To make innovative products, state of the art manufacturing with quality assurance, and industrial expertise the driving force for our future success.

Integrity : To focus on providing the best snacks to our customers by showing commitment to highest standards, and with extensive cooperation and mutual reliance between all our channel partners.

Plant & Machinery

For us, innovation is as good as the deliciousness it results in. This innovation is achieved with the help of our synoptically controlled plant, which is one of the most advanced and versatile snack food plants in the country, and state-of-the-art technology from Italy.

Lab Testing Equipments

Our lab is equipped with quality control mechanisms that comprises of Brabender Viscograph, Perten Flour Analyser, Soxtec apparatus and a provision for microbiological analysis.

Awards & Recognition

Our commitment to quality has reaped accolades in the form of prestigious awards and recognition from some of the respected bodies in the global snack food industry.
